# Dahle 50514 Shredder

Oil-Free Department Shredder

The Dahle 50514 Department Shredder is oil-free and supports the document destruction needs of busy offices with 5+ users. It features oil-free, hassle-free operation, SmartPower energy management, and Trident Grip jam protection to eliminate frustration. This P-4 shredder produces a 1/8" x 1 9/16" particle size and holds up to 38 gallons of shredded waste. It's German engineered, and guaranteed to provide many years of trouble free operation.

## JAM PROTECTION

The cylinders Trident Grip design produces three continuous points of contact with the paper, pulling it straight through the cylinders providing unprecedented jam protection. The result is a machine with strength, power and the ability to handle all of your data destruction needs.

## SMARTPOWER

This shredder automatically powers down after 30 minutes of inactivity. It will appeal to those interested in conserving energy as well as reducing electrical costs.

## OIL-FREE

Wondering when your shredder was last oiled is no longer a concern with this oil-free, hassle-free shredder. Through clever engineering, this machine maintains peak performance without the aid of oil.

## Product Features

### Oil-Free / Hassle-Free Shredding

- Aggressive Matrix High Performance Cylinders
- Maintains performance without the need for oil
- Environmentally friendly

### Trident Grip Jam Protection

- 3 continuous points of contact prevents paper shift
- Reduces jams and eliminates frustration

### SmartPower Energy Management

- Reduces energy consumption automatically
- Saves on electrical costs

### German Engineered for Reliability

- Peace of mind- trouble free operation

### Convenience Features

- Automatic on/off convenience
- Bin-full automatic shutoff

**Shreds CDs, Credit Cards, Clips, & Staples**

Aggressive cutting edges provide grip and superior shredding performance.

The command dial controls power up, reverse, and continuous run functions.
