## Mactac's Legacy IMAGin® PrintVinyl Series. . . Now more robust than ever.

Building on over twenty years of manufacturing quality intermediate and promotional media, Mactac® expands the IMAGin PrintVinyl Series to include removable and permanent gray adhesives, and a removable clear option. The offering now has all of the popular constructions to accomplish any wide format print application.

Designed for short to medium term, these 3.9-mil, four year films offer superior printability on all print technologies, including; solvent, eco-solvent, latex and UV ink jet. Now available in gloss, matte and clear, the facestock will provide excellent color and performance. The adhesives are formulated by Mactac to provide confidence every day. Available in clear and opaque, permanent and removable for virtually any application.

### Features:

- Same quality 3.9-mil facestock that has led the industry for years
- Now available in 7 configurations to accomplish any task
- Up to 4 year outdoor durability with or without laminate
- Solvent, Eco-solvent, Latex and UV printable
- Backed by Mactac's trusted Open Image Warranty<sup>SM</sup>
