Light medium duty gravity conveyor

- Load capacity: 175-lbs/ft
- Adjustable height from 28" – 44"
- 5.25" axle centers (min package height 11.5")
- Heavy duty red nylon wheels
- 5" diameter locking casters
- Package end stop included
- Options: 3" and 4" axle centers for 7" and 9" min package height, respectively
- Options: black polymer skate wheels, steel skate wheels

More Details:

Designed to expand, contract and move easily, our gravity skate wheel conveyor is a self tracking, gravity skate wheel conveyor that has a per linear foot capacity of 226 pounds. This unit is engineered to handle multi-sized cartons in low to medium volume applications.

The all-steel construction provides unmatched structural integrity, whether the conveyor is extended, compacted or configured in simple or compound curves. Adjustable inner legs vary height to achieve gravity flow.

This the choice for use in retail store level applications, packaging areas, assembly lines and in low volume shipping and receiving departments

Warranty – 1 year
