

# ULTIMAT GOLD MAT CUTTER

Tough, precise, built to last and exceptionally comfortable to use, the Keencut Ultimat Gold takes the guesswork out of creating perfect mats. Whether you're a highly skilled hobbyist or a professional who specializes in intricate frames, the Ultimate Gold is the gold standard of manual mat cutters.

Offering superior micro-adjustments and space-age bearings that provide silent-glide action, the Ultimat Gold is built for precision, ease of use and versatility.

This sturdy cutter with a single-piece aluminum extruded base cuts:

- 3/16" foamboard mats for covering with fabric
- basic window mats
- double window mats
- multiple openings

**5-year general warranty on all parts (except blades, clamping strips and cutting wheels).  
 20-year warranty on the bearings used in the cutting head.**

## Easy, Precise and Smooth

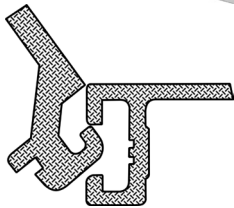

Unique sliding gauge pinpoints blade entry and exit spot for exact freehand cutting. The patented micro stop adjusters fitted to the 'start of cut,' 'end of cut' and 'margin guide' stops allow you to dial out overcuts or undercuts in seconds.

### Unrivaled Features and Dual Cutting Head

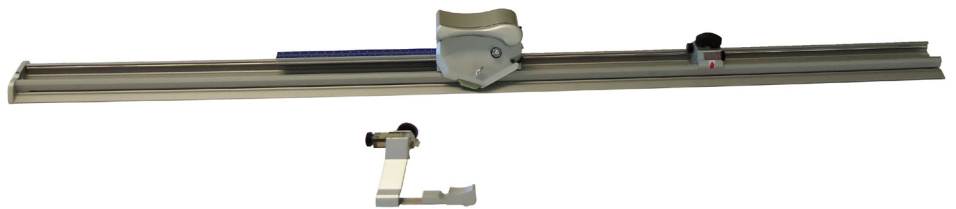

- The precision cutting head has a comfortable sculpted shape and features ball-and-thrust bearings for superb precision.
- The dual cutting head features both beveled edge and vertical blade holders.
- The vertical head can be locked into position to allow easy cutting of the thickest boards.

The optional instant clip-on right squaring arm with a repetition stop accurately sizes all matboards from 90cs (36") down to 4cm (1.4").

### Upgrade Kits for original Ultimat and Ultimat Gold

Futura slideway, cutting head and stop system have been specifically designed to retro-fit to existing machines. This upgrades your existing Ultimat & Ultimat Golds to the new Ultimat Futura capabilities.
