The Dahle 556 Professional Rotary Trimmer with a 37" cut length is designed for precision and accuracy. It features a ground self-sharpening blade that cuts in both directions, a dual-barrel guide bar for strength, and an automatic clamp to prevent shifting. This German engineered cutter is ultra-precise and ideal for trimming paper, photos, and cardstock.

**Features | Benefits**

- Self-sharpening blade cuts in both directions
- Dual-barrel aluminum guide bar provides strength and accuracy
- Automatic clamp holds work securely and prevents shifting
- Ground steel blade is encased in a protective housing for safety
- Sturdy metal base with non-slip rubber feet
- Screened inch, metric and angled guides for easy alignment
- Space-saving upright storage with kick-stand endcaps
- Adjustable magnetic alignment guide for sizing cuts
- German engineered for precision and accuracy
With a sturdy design and a 37” cutting length, this trimmer is ideal for posters, banners, and oversized photos.

The dual-barrel aluminum guide bar provides stability for cutting thicker materials. Automatic clamp holds work securely and prevents your work from shifting. Built-in kickstands allow for space-saving, upright storage.
