**How to bind a book with the Fastback 20**

1. Prepare book block, place into machine and press the green button.
3. When finished, remove book and place in cooling rack. Voila!

---

**Papers and composition materials are FSC (Forest Stewardship Council) certified and contain 30% recycled and/or post-consumer waste content.**

**Papers bound with Fastback bindings are fully recyclable — same as for magazines and paperback books.**

Fastback® 20 - fast, versatile, durable tape binding

The FB20 is the ideal binding machine for all corporations, financial institutions, copy shops, print environments, or education establishments that require professional-looking presentations, yearbooks or bound documents at a fraction of the time required to bind with alternative binding solutions such as coil, comb, or wire. This machine offers unprecedented ease of use with its LCD display that guides the user through each operation using animated illustrations. The Fastback 20 works with all of the Powis binding materials, from the versatile Super Strip to the customized Image Strip to the Perfectback strips for perfect binding books. It can create anything from a simple report to a 350-sheet hard cover book.

One Touch Function

- Super strong bind
- 3 different strip widths for binding from 10-350 sheets
- Layflat
- 3.5 times faster than punch-and-bind

Instructional LCD Screen: Binding is as easy as 1 - 2 - 3

Fastback® 20 - Accessorize!

- Foilfast™ Printer
  Print customized covers in several dazzling colors of foil using the Foilfast® Printer.
